Public Sector Pensions

Public sector pension schemes are pension schemes available to public sector workers, for example; civil servants, an Garda Síochána and public servants.

If your enquiry relates to your entitlement to a public sector pension, we recommend that you contact the HR/superannuation section in your organisation.

Irish Civil Service Pensions Information Centre

Further information on civil/public service pensions is available from the Department of Finance's, Irish Civil Service Pensions Information Centre, which includes a 'Pensions modeller'. See web address below:
